WHY WE RACE FOR RESOURCES

We race so that our loved ones with autism and other special needs can enjoy the same opportunities and acceptance as their peers. For two years ACF has worked steadfastly to provide continuous services through our Adult Day Program and our ACF activities. From Zoom to in person and back again, ACF never stopped being a community resource for so many.

In a typical year, ACF provides nearly 200 events such as movies, themed dances, art classes, singing, trampoline parks, and more while touching the lives of thousands.

Our Adult Services Division provides a daily program where clients work on life skills such as laundry, shopping, and cooking while providing interactive socialization and activities. We are proud to offer the following services: Day Habilitation Program, Home and Community Habilitation, and Supported Employment.

The race is on! Whether you choose to build a team, run, walk, sponsor, donate, or present at our Expo, your partnership with Autism Cares Foundation enables us to sustain a calendar of events full of inclusion, acceptance, and support for children, teens, and adults with autism and other special needs.

*Hope we can
count on you
again this year!*
