

2022 CARES GALA

Saturday,
November 12, 2022

Have you ever experienced *Breakfast at Tiffany's*? You now have the opportunity to dress up and have tons of fun at the 2022 Autism Cares Foundation Gala on Saturday, November 12, 2022, at Spring Mill Manor in Ivyland, PA, from 6:30 to 11:00 p.m.

Autism Cares Foundation invites you to share in the experiences that we offer to individuals with disabilities (children, teens, and adults). From 200 annual activities, including prom, dances, movies, our annual holiday party and so much more, these loved ones are counting on your support to continue to enjoy life enriching activities.

Christina, an ACF participant, recently spoke about what ACF means to her. Her resonating line, “my favorite thing is the many friends I have made because of Autism Cares Foundation!”. The many friends Christina has made are a direct result of the activities and programs that you help to sponsor.

As families have shared, they do not know where they would be without Autism Cares Foundation and the numerous things we do that improve the lives of their family member. The programs and resources we provide are viewed by many as “absolutely essential”.

Beyond our activities, the Adults in our Day Habilitation and Home and Community Programs also participate in many life enriching opportunities. We are encouraged by the growth of our programs and will soon need additional space to expand our life skills development offerings.

The majority of our programs are not funded by any state or federal program. We rely on the generosity of businesses, friends, and acquaintances to provide the financial support needed to fund these activities. We sincerely hope that you consider supporting our efforts to help individuals with disabilities. Together, we can build them a brighter tomorrow.

Included please find our sponsor package and the special offerings of each package. If you would like to go above and beyond, please contact us and share your thoughts.

We look forward to seeing you again and if new, we are excited to meet you for the first time.

Thank you again for your anticipated support, for enriching the lives of others and making a difference today.

Autism Cares Foundation is a 501(c)(3) charity.
